

2022 WISCONSIN STATE LAW ENFORCEMENT EDUCATION ADVOCATES CONFERENCE

Competition List

Suspicious Person/DV

Cadets/Explorers will encounter a disturbance in a residential area in which yelling is heard. Cadets/Explorers will be scored on their handling of any subject(s) they come into contact with, applicable laws relating to domestic partnerships, and appropriate actions taken.

Conflict Resolution

Cadets/Explorers will be dispatched to a dispute between two people regarding services paid for. The Cadets/Explorers will be scored on ability to use different conflict resolution tactics.

Tactical Medicine

Cadets/Explorers should be prepared to assess and provide medical treatment. Approach, scene, and retreat should consist of good tactics and communication.

Dispatch Event

Cadets/ Explorers will be formed into a dispatch center team. As a team they should be prepared to handle a critical incident through demonstrating appropriate communication skills, crucial record keeping, resource and time management and any other skills necessary to effectively perform dispatch skills during a critical incident.

Force Options (Shoot/Don't Shoot)

Cadets/Explorers will be utilizing the MILO equipment and given a scenario to which they will need to respond accordingly. Participants will be scored on their reaction, accuracy, communication and judgement.

High Risk Traffic Stop

Cadets/Explorers will conduct a high-risk traffic stop. Vehicles will already be placed in proper positions. Cadets/Explorers will be scored on their communication, tactics and officer safety.
